Greetings,

We are writing on behalf of our organization, **Puertorriqueños Unidos En La Distancia - Puerto Ricans United in the Distance and ROC La Cumbre**. We would love to invite you to collaborate with **PR Unidos, ROC La Cumbre, IBERO and United Health Community Plan** by sponsoring our Latinos Unidos Summer Kick Off Community Event. Together we can provide our newly arrived residents from the Caribbean an opportunity to meet community agencies and enjoy all the beautiful things the City of Rochester can offer.

Our goal as part of the Rapid Response Initiative in collaboration with other human serving agencies in various fields is to make the most of the community event by not only giving an opportunity for community agencies provides important information to all the Latino Community, but by also facilitating services, such enrollment in medical insurance, mammograms check-ins, received food, and mostly have FUN!

Our entertainment lineup includes:

DJ Broadcast Live by PODER 97.1, Zumba, Bounce Houses, Character Meet and Greets for the children, Dance Groups, a Domino Tournament and More!

The event will be held on Saturday **July 14th from 12:00pm-4:00pm at the David F. Gantt R-Center**. Please see the Flyer attached! We would not be successful without the assistance of our wonderful volunteers and community sponsorship. We humbly request your consideration in becoming a sponsor for **The Latinos Unidos Summer Kickoff Event**. We invite you to review our sponsorship opportunities on the second page and consider becoming part of Rochester's Latino family.

We invite you to visit our website and social media platforms to learn more! www.purunidos.org and on Facebook "*Puertorriqueños Unidos En La Distancia - Puerto Ricans United in the Distance*".
